List cat diary ~Life with Listyan~

month and day

The day I met List Cat

When my kitty calls me.

Cute ♡

I've decided that today will be my cat and my anniversary!

Let's celebrate every month.

Beep beep

Today...I touched a lot of cats.

Even though he was a treat, he got angry if I touched him too much...

He doesn't like it if you touch him too much.

ショック! part 1

We had fun doing fortune telling and playing games.

I always answered when Kanara Nyanko called me.

monthOday

It seems like the cat has become good friends with me! He's so cute and laugh, and he's even learned (makes) a new trick! (me)

day

Gatsu month O day

Today is my birthday!

Beep beep

A cute kitty called out to me

If you stroke his head and say "good boy,"

A cat even celebrated with me!

I was so happy!

Gatsu

monthOday

Shock! Part 2

I learned something very important today... When my kitty called me, if you don't be friendly, it seems like your friendship level will plummet...

When you can't touch them or when they're sleeping

It's sad, but I'll take off my wristband...

POINT

Month Oth of the month

I love kitties!! We'll always be together ♡

to be continued···
